PROFILE SUMMARY

"I'm a final-year student studying Computer Science & Engineering. I have a strong interest in data science, with skills in Python, data analysis, and machine learning. I'm enthusiastic about using and improving these skills through internships and projects focused on data science. I'm passionate about using data to discover valuable insights and eager to contribute effectively in a dynamic, data-driven environment."

EDUCATION HISTORY

Graduation

Course	B.Tech
College	Neotia Institute of Technology, Management and Science, West Bengal
Year of Passing	2025
Grade	7.66/10

Class XII

Board	WBBSE
Medium	Bengali
Year of Passing	2021
Grade	84%

Class X

Board	WBCHSE
Medium	Bengali
Year of Passing	2019
Grade	77%

INTERNSHIPS

Exposys Data Labs, 1 Months

Developed a Machine Learning model to predict diabetes in patients based on body parameters, acquiring extensive knowledge in machine learning, model building, training, and optimization.

EduLyt India, 1 Months

Resolved numerous complex mentor queries by extracting pertinent information from an Excel file using Python. Visualized and presented data in a structured manner using various tools such as Power BI
